

Lazard US Equity Value Focus

Composite Report

Benchmark:	Russell 1000 Value Index
Reporting Date:	31 December 2025
Composite Inception Date:	01 May 2014
Reporting Currency:	U.S. Dollar

Composite Description

The composite returns represent the total returns of all fully discretionary portfolios with a US Equity Value Focus investment mandate using a focused number of names. Prior to May 2016, the composite minimum was \$1,000,000. Lazard’s U.S. Equity Value Focus strategy seeks to generate robust relative returns over the long-term time by investing in companies with strong financial productivity and attractive valuations. The strategy typically invests in 30-45 securities of companies with market capitalizations of \$2 billion or greater.

Calculation of Performance Returns

The composite returns are reported net of foreign withholding taxes on dividends, interest and capital gains. The composite returns presented represent past performance and is not a reliable indicator of future results, which may vary.

Fee Schedule

Lazard’s standard fee schedule for these US Equity Value Focus accounts is 0.55%. Unless otherwise noted, actual account fees, inclusive of performance-based fees and VAT (if applicable) are used in the construction of composite net of fee performance. For non-fee paying portfolios and sleeves of funds, net of fee performance has been calculated using the strategy’s standard fee schedule.

Benchmark Information

The Russell 1000 Value Index measures the total return performance of those Russell 1000 companies with lower price-to-book ratios and lower forecasted growth values.

Disclosures

Lazard Asset Management claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. Lazard Asset Management has been independently verified for the periods January 1, 1993 through December 31, 2024. The verification reports are available upon request. A firm that claims compliance with the GIPS standards must establish policies and procedures for complying with all the applicable requirements of the GIPS standards. Verification provides assurance on whether the firm’s policies and procedures related to composite and pooled fund maintenance, as well as the calculation, presentation, and distribution of performance, have been designed in compliance with the GIPS standards and have been implemented on a firm-wide basis. Verification does not provide assurance on the accuracy of any specific performance report. Lazard Asset Management is the “Firm” to which the GIPS Standards apply (Frankfurt office included in Firm definition as of January 1, 2003). In March 2023, LAM acquired all of the membership interests of Truvvo Investment Partners, LLC (“Truvvo”), a registered investment adviser that offers wealth management services to sophisticated families with complex balance sheets. The personnel who joined LAM in the acquisition now conduct their wealth management activities as a wholly-owned division of LAM named Lazard Family Office Partners. GIPS® is a registered trademark of CFA Institute. CFA Institute does not endorse or promote this organization, nor does it warrant the accuracy or quality of the content contained herein. Policies for valuing investments, calculating performance, and preparing GIPS reports are available upon request. A complete list and description of all Lazard composites and pooled funds is available upon request. The composite creation date is July 2014.
