## Composite Report

Benchmark:	FTSE World Europe ex UK Index
Reporting Date:	31 December 2025
Composite Inception Date:	01 October 1991
Reporting Currency:	Japanese Yen

### Composite Description

The composite returns represent the total returns of all fully discretionary portfolios with a Continental European Equity Alpha investment mandate and a minimum of £3 million in assets under management. The Lazard Continental European Equity Alpha strategy seeks strong relative returns over a full market cycle of 3 to 5 years. The strategy primarily invests in companies domiciled in those countries that comprise the FTSE World Europe ex-UK Index. The strategy is constructed on a bottom-up basis, focusing on companies with high or rising sustainable financial productivity at attractive valuations. As of September 2020, the FTSE World Europe ex-UK Index represents Gross Total Return from inception to December 31, 2008 and Net Total Return thereafter.

### Calculation of Performance Returns

The composite returns are reported net of foreign withholding taxes on dividends, interest and capital gains. The composite returns presented represent past performance and is not a reliable indicator of future results, which may vary.

### Fee Schedule

Lazard's standard fee schedule for Continental European Equity Alpha accounts is 0.65% on the first £ 50 million of assets and 0.50% on the balance. (This fee schedule may be presented in non-U.S. local currency equivalents based on prevailing exchange rates.) Unless otherwise noted, actual account fees, inclusive of performance-based fees and VAT (if applicable) are used in the construction of composite net of fee performance. For non-fee paying portfolios and sleeves of funds, net of fee performance has been calculated using the strategy's standard fee schedule.

### Benchmark Information

The FTSE World Europe ex UK Index comprises large and mid cap stocks providing coverage of the developed and advanced Emerging markets in Europe excluding UK. The index is derived from the FTSE Global Equity Index Series (GEIS), which covers 98% of the world's investable market capitalisation.

### Disclosures

Lazard Asset Management claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. Lazard Asset Management has been independently verified for the periods January 1, 1993 through December 31, 2024. The verification reports are available upon request. A firm that claims compliance with the GIPS standards must establish policies and procedures for complying with all the applicable requirements of the GIPS standards. Verification provides assurance on whether the firm's policies and procedures related to composite and pooled fund maintenance, as well as the calculation, presentation, and distribution of performance, have been designed in compliance with the GIPS standards and have been implemented on a firm-wide basis. Verification does not provide assurance on the accuracy of any specific performance report. Lazard Asset Management is the "Firm" to which the GIPS Standards apply (Frankfurt office included in Firm definition as of January 1, 2003). In March 2023, LAM acquired all of the membership interests of Truvvo Investment Partners, LLC ("Truvvo"), a registered investment adviser that offers wealth management services to sophisticated families with complex balance sheets. The personnel who joined LAM in the acquisition now conduct their wealth management activities as a wholly-owned division of LAM named Lazard Family Office Partners.
