Composite Description

The Lazard Asia ex-Japan Equity strategy seeks to outperform the MSCI AC Asia ex-Japan benchmark in a consistent and controlled manner. The portfolio is comprised of a diversified selection of what the portfolio management team believes are fundamentally strong and attractively valued companies with the goal to generate an attractive risk-adjusted rate of return over time. The portfolio is focused primarily on larger capitalization stocks but may allocate a small proportion of the capital to high quality mid and small capitalization stocks. The composite changed its minimum to invest from \$5 million since inception to \$2.5 million from March 2016 to December 2020. Effective January 2021, the composite minimum is \$1.5 million.

Calculation of Performance Returns

The composite and benchmark returns are reported net of foreign withholding taxes on dividends, interest and capital gains. The composite returns presented represent past performance and is not a reliable indicator of future results, which may vary.

Fee Schedule

Lazard's standard fee schedule for Asia ex-Japan Equity accounts is 0.75% on the first \$50 million of assets, 0.70% on the next \$50 million and 0.65% on the balance (This fee schedule may be presented in non-U.S. local currency based on prevailing exchange rates.) Unless otherwise noted, actual account fees, inclusive of performance-based fees and VAT (if applicable) are used in the construction of composite net of fee performance. For non-fee paying portfolios and sleeves of funds, net of fee performance has been calculated using the strategy's standard fee schedule.
