Benchmark: MSCI AC Asia ex-Japan Index

Reporting Date: 31 December 2023
Composite Inception Date: 01 November 2011
Reporting Currency: Japanese Yen

Composite Description

The composite returns represent the total returns of all fully discretionary portfolios with a Lazard Asia ex-Japan Equity Advantage investment mandate. Prior to October 2021, the composite minimum was \$2 million. Lazard Asia ex-Japan Equity Advantage seeks to outperform the MSCI AC Asia ex-Japan Index over a market cycle using a proprietary, quantitatively driven bottom-up stock selection process. Each stock is evaluated daily according to four independent measures: growth, value, sentiment, and quality. The strategy typically invests in securities of companies all of which are domiciled in the developed and emerging Asian countries contained in the benchmark. The portfolio is constructed to closely resemble the characteristics of the MSCI benchmark including sectors, geography, and market capitalization.

Calculation of Performance Returns

Policies for valuing investments, calculating performance, and preparing GIPS reports are available upon request. The composite and benchmark returns are reported net of foreign withholding taxes on dividends, interest and capital gains. The composite returns presented represent past performance and is not a reliable indicator of future results, which may vary. A complete list and description of all Lazard composites and pooled funds is available upon request.

Fee Schedule

Lazard's standard fee schedule for Lazard Asia ex-Japan Equity Advantage accounts is 0.75% on the first \$50 million, 0.70% on the next \$50 million and 0.65% on the balance. (This fee schedule may be presented in non-U.S. local currency equivalents based on prevailing exchange rates.) Composite net-of-fees returns are calculated by reducing monthly composite returns by the 12th root of the stated strategy fee's highest tier.

Benchmark Information

The MSCI AC Asia ex-Japan Index is a free float-adjusted market capitalization weighted index that is designed to measure the equity market performance of Asia, excluding Japan. The Index consists of the following 10 developed and emerging market country indices: China, Hong Kong, India, Indonesia, Korea, Malaysia, Philippines, Singapore, Taiwan, and Thailand. The Index is compiled by MSCI Inc.

GIPS Compliance and Verification Status

Lazard Asset Management claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. Lazard Asset Management has been independently verified for the periods January 1, 1993 through December 31, 2023. The verification reports are available upon request. A firm that claims compliance with the GIPS standards must establish policies and procedures for complying with all the applicable requirements of the GIPS standards. Verification provides assurance on whether the firm's policies and procedures related to composite and pooled fund maintenance, as well as the calculation, presentation, and distribution of performance, have been designed in compliance with the GIPS standards and have been implemented on a firm-wide basis. Verification does not provide assurance on the accuracy of any specific performance report. Lazard Asset Management is the "Firm" to which the GIPS Standards apply (Frankfurt office included in Firm definition as of January 1, 2003). In March 2023, LAM acquired all of the membership interests of Truvvo Investment Partners, LLC ("Truvvo"), a registered investment adviser that offers wealth management services to sophisticated families with complex balance sheets. The personnel who joined LAM in the acquisition now conduct their wealth management activities as a wholly-owned division of LAM named Lazard Family Office Partners. GIPS® is a registered trademark of CFA Institute. CFA Institute does not endorse or promote this organization, nor does it warrant the accuracy or quality of the content contained herein. The composite creation date is January 2012.
